

## St. Anne's Catholic Primary School

### Year 2 Knowledge Organiser

### 'Healthy Bodies, Healthy Minds'

*"Loving God In All We Do."*

#### The 'Healthy Bodies, Healthy Minds' topic is about ...

...learning how to stay healthy, both physically and mentally. The children will explore why exercise is important, not only to keep them fit, but to support their well-being.

By the end of the topic, the children will be able to describe foods which help nourish their bodies, and also know the importance of hygiene. They will explore how humans change from offspring to adults, and the main ingredients for survival.

#### Prior learning

In Year 1 the children were learning how to stay healthy, both physically and mentally. The children explored how to keep their minds healthy and learn techniques that help them to do this.

The children were able to talk about the importance of looking after their teeth. They were able to identify the parts of the body and label them, and say which part of the body is associated with each sense. They also discovered that they are different in their own features.

#### Our current learning

By the end of the theme we will know ...

- notice that animals, including humans, have offspring which grow into adults
- find out about and describe the basic needs of animals, including humans, for survival (water, food and air)
- describe the importance for humans of exercise, eating the right amounts of different types of food, and hygiene

#### Vocabulary

##### **RE**

Beginning, family, friend, creation, psalm, litany

##### **Art and Design**

###### Drawing

Observations, drawing, viewpoint

###### Sculpture

Materials, tools, control

###### Printing & Textiles

Repeated patterns and printing

##### **Computing**

Battery, Buttons, Computer, Desktop, Device, Electricity, Input, Invention, Keyboard, Laptop, Monitor, Mouse, Output, Technology, Wire

##### **Design Technology**

Food groups, Eatwell plate, Design/ evaluate, Product, Safe, Good hygiene

##### **History**

Past/ present, Timeline, Order, Remember, Change (s), Before/ after, Significant, Famous, Event, Compare, Similar/ different

##### **Music**

Orchestra, instruments, strings, woodwind, brass, percussion, vocals, sound effects, timbre, dynamics, tempo.

##### **PSHE**

Transition, feelings, emotions, managing, worries, family, changes.

##### **Science**

Survival, nutrition, exercise, reproduction, growth

## St. Anne's Catholic Primary School

### Year 2 Knowledge Organiser

### 'Healthy Bodies, Healthy Minds'

#### RE

During the theme of 'Beginnings' the children will explore the many beginnings each day has to offer. In the scripture the children will read about God being present in every new beginning.

#### Wider curriculum learning

During Art the children will be looking at the artist Keith Haring and developing drawing, sculpture, printing and textiles in his style.

Part of the Computing curriculum is learning 'what a computer is?' They will explore what a computer is by identifying and learning how inputs and outputs work. They will understand how computers are used in the wider world, and will design their own computerised invention.

In Design Technology the children will be designing and making a healthy picnic. We would love you to come and join us for an afternoon picnic. They will be learning the skills of chopping, peeling, cutting and grating.

The focus of our PSHE sessions will be health and well-being. The children will be participating in regular exercise to help promote mindfulness, as well as learning strategies to help maintain a positive well-being. They will be discussing the importance of sleep, and different ways to rest, relax and feel good.

#### We are going to read a range of texts from

##### Stories with a familiar setting

'George's Marvellous Medicine' by Roald Dahl

##### Instructions

Linking with our Cooking & Nutrition project to make a healthy picnic

##### Poems on a theme

'Kitchen Disco' & 'Bathroom Boogie' by Clare Foges

#### Key dates for this half-term

**INSET Days**— Friday, 1st September and Friday, 20th October

**Term dates**—Monday, 4th September—Thursday, 19th October

**PE Days** — Wednesday and Thursday

**Homework**— Reading, spelling and Maths homework will be set on Friday on Class Charts to be completed by the following Thursday.

**Curriculum Evening & Meet the Teacher**—Wednesday, 20th September 6pm

**Whole School Masses**— Friday, 15th September & Friday, 6th October
