Year 6 Knowledge Organiser

'Prophecy and Promise'

"Loving God In All We Do."

The 'Prophecy and Promise' topic is about ...

...preparing ourselves as we approach the season of Advent and the coming of Jesus. Throughout the term we will have a particular emphasis on physical and mental well-being, exploring feelings and how we can keep our bodies fit.

In Design and Technology children will understand and apply the principles of a healthy and varied diet. They will choose ingredients to support healthy eating choices when designing their food products. Their learning journey will lead them to prepare and cook a variety of dishes, using a range of cooking techniques.

In Science pupils will recognise the impact of diet, exercise, drugs and lifestyle on the way their bodies function (in the long term and short term).

Prior Learning

- Not having a healthy lifestyle can affect your mental health
- Exercise is important to keep your body fit
- Not eating enough fruit and vegetables can lead to diseases
- Healthy bodies and a healthy mind are closely linked
- A healthy diet needs to be varied.

Our Current Learning

- understand and apply the principles of nutrition and learn how to cook
- build and apply a repertoire of knowledge, understanding and skills in order to design and make high quality prototypes and products for a wide range of users
- critique, evaluate and test their ideas and products and the work of others
- develop scientific knowledge and conceptual understanding through the specific disciplines of biology

Vocabulary

RE

Expectation, certainty, Advent, Christmas, Emmanuel, Angelus, Incarnation.

Design Technology

Health, nutrition, eatwell plate, meal, balanced, evaluate, plan, weigh, safety, measure, select, prepare

Computing

Acrostic code, brute force hacking, chip and pin, combination, password, invention, technological advancement

MFL

à côté de, dans, derrière, devant, il y a, j'habite dans, la table, le lit, sous, sur, un salon, une cuisine, une maison

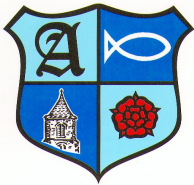

Music

Contrast, tempo, melody, graphic score, harmony, counter melody

Science

Heart, heartbeat, pulse, pulse rate, muscle, blood vessel, blood, lung, oxygen, oxygenated blood, deoxygenated blood, carbon dioxide, circulate, circulatory system, organ.

Diet, exercise, drugs, lifestyle, body function, harmful, healthy, damaged, nutrients, water, transported, substances.

'Prophecy and Promise'

RE

Children will deepen their understanding of the term 'commitment' during our topic 'Vocation and Commitment'. During the Advent season pupils will explore the ways in which we prepare for the coming of Jesus during our topic of 'Expectations'.

Wider curriculum learning

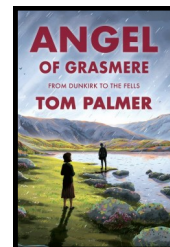

In **English** children will be studying war poetry in association with our Remembrance Day assembly. Later on in the term we will explore the features of explanation texts, aiming to write our own. **Maths** lessons this half term will aim to deepen children's understanding of fractions. In **Computing** pupils will learn about computing systems based on the work of Bletchley Park. Meanwhile in **French** children will continue to continue to develop their vocabulary and use this to help them begin to form longer sentences around the topic of 'In My House'. In **Music** children will begin to understand the history of music, looking at songs of WW2. In **PE** children will continue to work on their gymnastic skills and also be further developing their tactical awareness through invasion games such as netball.

We are going to read

Class reader: Angel of Grasmere by Tom Palmer

An array of war themed poetry

A variety of explanation texts

Key dates for this half-term

Term dates—Monday, 28th October—Friday, 20th December
