

St. Anne's Catholic Primary School

Welcome to Year 6!

Dear Parents, carers and children,

We would like to warmly welcome you and your families to Year 6.

This is an important year for Year 6 as they prepare to move to secondary school. We expect the children to display a good attitude to learning and show the desire to achieve their potential. It is important that they start to develop their organisational skills and become more independent.

We hope your child enjoys their final year at St Anne's.

Thanks,

Ms Cleary, Miss Williams and Mrs Hewitson
