

Curl around the sun, across the sun and back under again, and stop

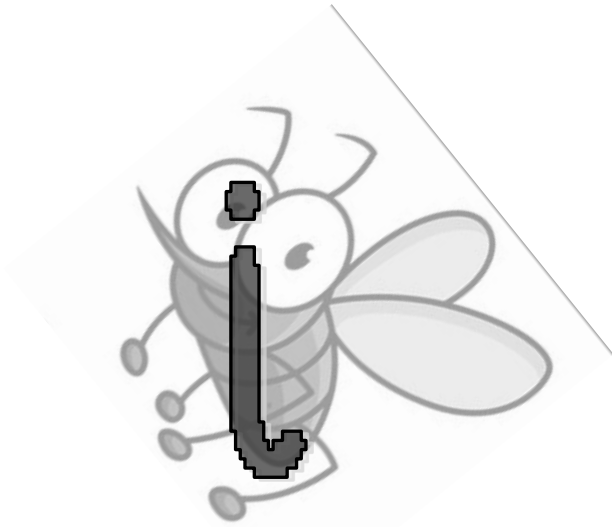

Start at the top of the tap, go down the tap, lift off and turn the tap on

Start at the stem, all around the apple, down and flick

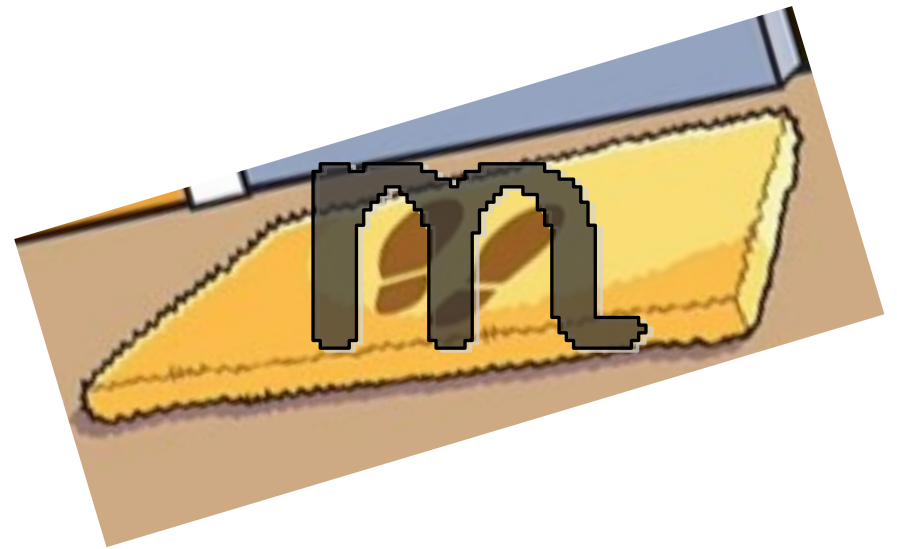

Down the handle, back up and around the pan

Down the insect and dot his  
eye.

Down the nest and back  
over the eggs

Down the mat, over the foot print  
and over the footprint

Around the dogs paw, up to his  
ear and back down to his feet.

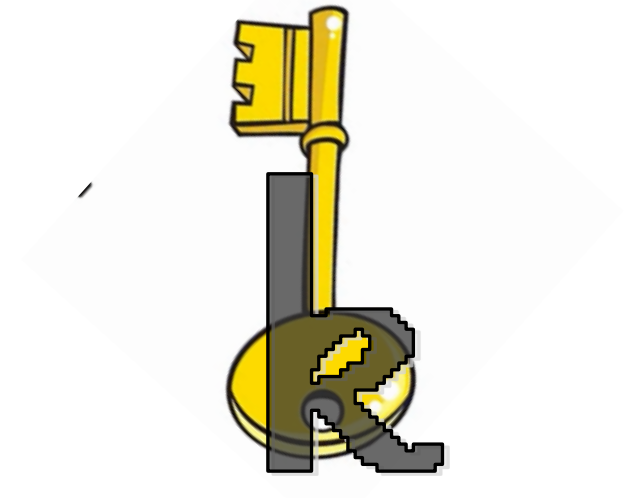

Start at his ear, around the goats face  
and curl under his beard

Curl around the cat

Around the octopus

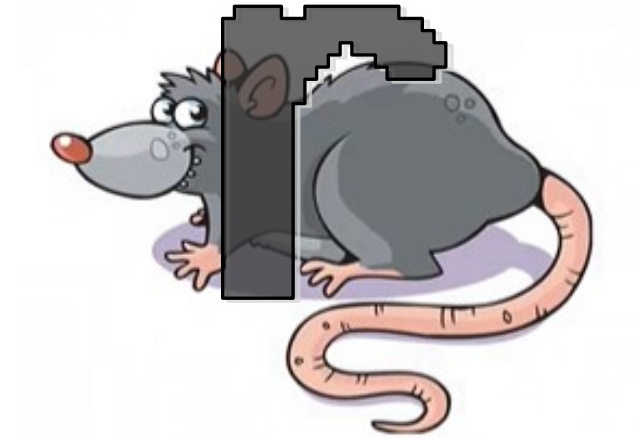

Down the key, back up around the  
handle and lock it

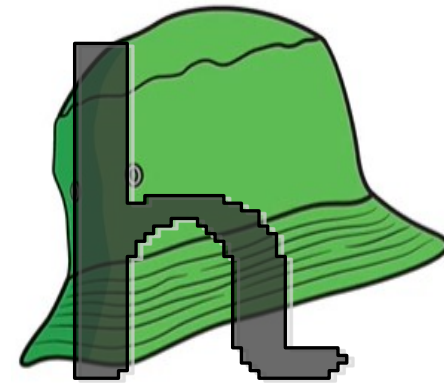

Across the elephants eyes, over his head and under his trunk

Down the handle, back up, down and flick

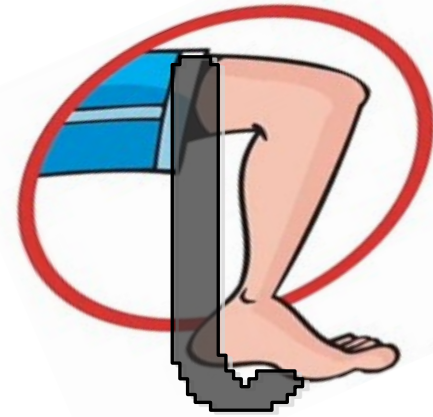

Start at his ears, down to his feet and up over his back

Pull the hat on, over the hat and flick

Down the side of the bag and  
up around the buckle

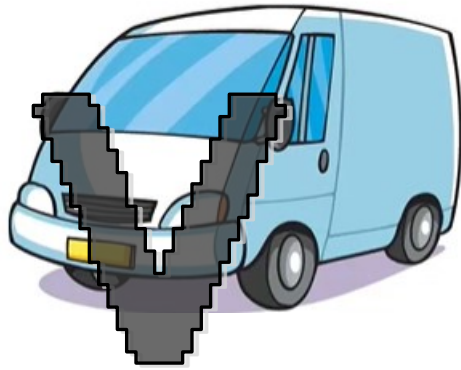

Down the leg and under his heel

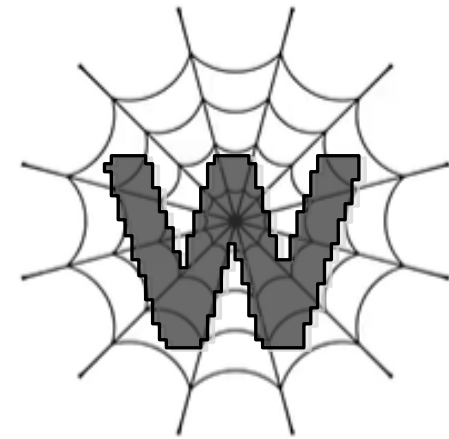

Start at the top of the fan and  
curl it round to the red button  
and back under the fan. Then  
spin the fan.

Start at the top of the jar and  
down the jar and flick under the  
jar. Lift off and dot the lid.

From wing mirror to bumper  
to wing mirror again

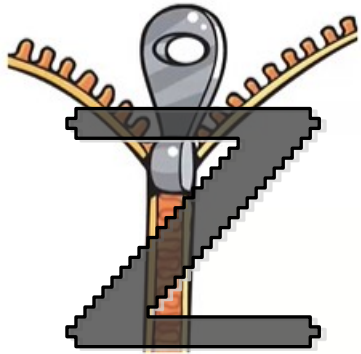

Down the web, to the middle,  
back down again and up to the  
top

Start the foxes tail and go across  
to his feet, lift off and go from  
his nose straight across to his feet

Start at her ear, under her yelling  
mouth to her other ear and down under  
her flower top

Zig down the zip

Around the queens face to  
her crown and down to  
her hand and flick
