

Thursday 27th September 2018

Dear Parents,

Endeavour Swimming @ Tarleton Academy – Information

As you may be aware, in September 2016 Tarleton Academy launched **Endeavour Swimming**, a school-run community swimming programme providing swimming tuition for children throughout the West Lancashire area. We are pleased to announce that the programme has grown considerably since its launch and there are now close to 200 children taking part in swimming lessons every week on the programme.

Teaching is delivered by West Lancashire Sport Partnership swimming specialists. Many of the children are familiar with the teachers, as they deliver primary school swimming lessons during the school day across West Lancashire. This helps to build a swimmer-teacher relationship for the benefit of the children's swimming tuition and enhances the continuity between our primary school swimming programme and Endeavour Swimming.

The programme operates in 4 x 10-week blocks over the course of the academic year. Monday 12th November will see the start of **Block 2** of the programme for this year. We are now taking enquiries to book on to this 10-week course.

Swimming currently takes place on a Monday, Tuesday, Wednesday and Thursday between 4:00pm and 6:00pm. Endeavour Swimming are also exploring the possibility of expanding to deliver lessons on a Friday at the same times - subject to demand. The cost of a 10-week course is £45.00, which equates to £4.50 per 30-minute weekly lesson.

Each 10-week block, there is an opportunity to purchase Swim England Certificates and Badges at lessons as awarded by teachers and there are chances every week for children to be rewarded with Endeavour Swimming certificates from their class teacher.

If you wish to enquire about booking a place for your child, please either:

- telephone **Tarleton Academy** on **01772 812644**
- or email **swimming@tarletonacademy.org**

Further details on the programme, including course dates, are available to view at the following link:
