

Pupil Premium Statement, 2018-19

The main barriers faced by eligible pupils in SASJ are

- minimum parental involvement,
- Varying levels of CSC involvement,
- Attendance across school is good. Majority of children punctual in school.
- Language barrier, an increasing number of DAP are EAL.

We will address those barriers through

- home school liaison officer to be involved (6 hours per week), working with TAF / CAF children and families in school and at home
- Children receive 2 guided reading sessions per week to alleviate lack of home reading in school.
- school councillor working in school (0.2)
- Continued daily intervention to ensure that last year's progress continues

We will measure the impact of the work by

- Reports from Home School Liaison Officer
- Reading progress
- Feedback from councillor on effectiveness of provision
- Attainment vs non DAP pupils
 - In nearly all year groups, the attainment gap is closing. In Years 5 and 6 DAP pupils are on average attaining at a higher level than peers.
- Attendance of DAP vs Non DAP
 - FSM EVER 1 – 94% vs 95%
 - FSM EVER 6 – 94% vs 95%

In 2018-19, school was allocated

No of PP pupils	Income	% of budget	Spending	Impact
Ever6 70 LAC 1	88,100	8%
