Resources	£1,936
Transport to events	£635
Total Committed	£9,391

CPD

Mr Pickup agreed to support PE at the start of this of year and has organised many of the clubs and activities we offer, either through him or external coaches. He is now working towards a Level 5 Certificate in Primary School PE Specialism through the Sport's Partnership. Chris is now working through a series of Coaching courses – including Tennis, Badminton and Orienteering. This will ensure that we have a fully trained coach on staff for a whole range of sports, who would also have the skills to support other staff, both now and in the years to come.

Mr Pickup is ensuring that children have a wide range of opportunities across the school day. This is ensuring that more and more pupils are engaging with sports either through break time activities timed into major sporting events (eg table tennis and snooker) as well the usual after school clubs, which are tied into the local partnerships tournament cycle.
