

# A GUIDE TO YOUR CLASSROOM SPIDER PLANT

## Benefits of having a spider plant in the classroom

Having a spider plant in the classroom has many benefits. They help to purify the air by removing harmful chemicals. They have been proven to reduce stress levels whilst increasing energy levels in addition to improving concentration. Finally, having a class plant will teach us about responsibility.

YOU'RE WELCOME TO REHOME ME  
TO A DIFFERENT POT

I LIKE A MEDIUM AMOUNT OF  
SUNLIGHT

I HATE GETTING MY ROOTS SOAKED  
SO PLEASE DON'T WATER ME TOO  
MUCH

I MIGHT START GROWING SPIDER  
BABIES THAT YOU CAN RE-PLANT

I MIGHT NEED SOMEONE TO TAKE  
CARE OF ME IN THE HOLIDAYS.

Now it is over to you to  
look after your class  
spider plant.
