

## Maths

Log onto Mathletics, click 'Explore' With an adult, have a go at the Numbers to 10 activities.

The more you play, the more points you earn which will lead to bronze, silver and gold certificates! Can you earn enough points to win your first bronze certificate?

(Log in details attached to the front of your child's home reading record)

## Fine Motor Development

Give opportunities for your child to practise applying pressure with their fingers.

Ideas: Play dough activity, building with small bricks, spray bottles, using pegs.

Ideas: Create a washing line and peg out dolls/teddies clothes.

Make your own playdough and create models of your favourite book characters.

Make the tallest tower you can out of duplo/lego bricks.

## Reading

Daily reading of your home reading book.

While you are reading your favourite bedtime stories, hunt for sounds and tricky words from your phase 2 sound mat.

## Cooking

Help an adult cook or bake a Bonfire Night treat. Can you follow the recipe and help measure out ingredients?

This Sainsbury's link has some very yummy ideas:  
<https://recipes.sainsburys.co.uk/articles/10-top-bakes-for-bonfire-night>

## Helping Hand

Choose one job in the house that you could help with over the term.

Ideas: Help tidy your bedroom, help make tea once a week, help wash the car or help look after your pets.

# Reception HOME LEARNING

Autumn 2020/21

Topics: Autumn  
Favourite Stories

Hand in date:  
**Wednesday 8<sup>th</sup> December**

## Creative

Read or watch the Owl Babies story  
[https://www.youtube.com/watch?v=TPQRi\\_STYFHo](https://www.youtube.com/watch?v=TPQRi_STYFHo)

Create your own owl using materials of your choice.

Ideas: Collage using a range of papers, a junk model, a figure using construction toys e.g. Lego, an owl picture using chalk, crayons or paint.

## Active

Go on an autumn walk with your family and hunt for signs of autumn. You could collect these through taking photographs or picking up a selection of the natural materials.
