Options – why do they matter?

- To ensure that students are equipped with the qualifications to move on and be successful

- To ensure that we build a range of transferrable skills by studying a variety of subjects

- GCSE Combined/Separate Science
- Core PE (not examined)

GCSE Courses

Directing our students along the best path

It is essential that students embark on a path that not only allows them to reach their potential, but also offers them the opportunity to progress their learning post-16.

Directing our students along the best path

To this end, through careful assessment and evaluation, we will steer the students towards a path that fulfils this aim. We use a range of data to support us in making this decision:

- Performance in languages
- Prior attainment
- KS3 cycle assessments
- Performance in core subjects
- Professional judgement of teaching staff

When will I know which route I will follow?

We plan to let students know which path they will be asked to follow by an email communication to parents on Monday 3rd February 2025

Aspiration for all students at St. Anthony's

- A minimum of 5 grades at or above level 5 or equivalent including English & Mathematics (61% achieved this in 2024)
- A minimum of 5 grades at or above level 4 or equivalent including English & Mathematics (85% achieved this in 2024)
- Grade 6 or better in subjects that students wish to study at Post-16
- Merit or better in vocational subjects that students wish to study at Post-16

Choosing your options - *do choose* courses if...

- They fit your interests
- You think you will enjoy them
- They go well with your other courses
- They link to a career aspiration that you have
- Will support you to continue studying post-16
- Will help you meet entry requirement for
courses post-16

Choosing your options - *do not choose* courses if...

- It's just because your friends are choosing the same ones
- You think it will be easier than another course
- You like the teacher that you have now

Viability of Courses

Sometimes, for whatever reason courses may not recruit enough students to make it educationally viable to run.

In these cases we may choose to withdraw the offer of a course.

Equally we may not be able to offer classes in a subject area due to a staffing change.

In these circumstances parent/carers and the student will be informed and will be allowed to re-choose their option choices.
