Date Joining the Governing Body	Jan 2004	
Current Term of Office	May 2020 – April 2023	
Committees	Health and Safety, Admissions, Complaints Appeals, Pay, Resources and Staff Discipline.	
Lead Monitoring Role	Equality, Health and Safety	
Interests	I have always been interested in History, Architecture and Engineering. I've been fortunate to have been able to travel to Paris, Rome, The Alhambra Palace in Granada and the TopKapi palace in Istanbul amongst others. During the last 12 months we have done Winsor Castle, Blenheim Palace and Hampton Court Palace. Its great to be able to place a location to all the History. I love to inspire others by asking them to look at what our ancestors where able to do with what limited tools where available to them.	
Personal Statement	I have an education which was developed at St Augustine's and Enhanced at Newman College and the Universities' of London, Manchester Met and Lancaster. This has led to successes in my career and has led to my decision to give back to my local area by becoming a City Councillor and school Governor.
