School meals

Please see Dojo for our meal menus for next week. If your child would like to have an 'ad hoc' meal all they need to do is let their Teacher know on the day – no pre-ordering is required.

COVID-19

Unfortunately one of our pupils in Beech class tested positive for COVID-19 earlier this week so the class and staff members are currently isolating. We hope they all keep safe and well and we look forward to seeing them when they return to school next Friday, the 26th May 2021.

Please continue to follow the Government's guidelines of 'hands, face, space, fresh air' and self-isolation if you, your child or a household member has COVID symptoms or has been in contact with someone who has tested positive for COVID-19. If your child has any of the three common COVID-19 symptoms or what you think is simply a cold or flu please keep them at home and book a COVID (PCR) test. To protect our school community your child can only return once the test has been carried out with a negative result.

Sports Day

Although the arrangements for this year's Sports Day were a little different due to the current COVID restrictions the sun was shining and the children had a great time competing in the different challenges. The Teachers were really impressed with everyone's performance! Here are some of the Junior photographs...

Pen licences

A pen licence is awarded to our Junior children who demonstrate beautiful, consistent handwriting in all subjects and this week 16 pupils in Year 3 have accomplished this. This is a fantastic achievement – Congratulations!!
