### School meals

Please see Dojo for our meal menus for next week. If your child would like to have an 'ad hoc' meal all they need to do is let their Teacher know on the day – no pre-ordering is required.

### Playground equipment

When collecting your child from school please do not allow any younger siblings to go on the playground equipment as this is a health and safety hazard.

### Car parking – Thursday afternoons

Please can you avoid parking outside the gates to the school car park on Charlotte Street on a Thursday afternoon as the coach returning our Year 5 pupils from their swimming lesson needs to park in this area.

### COVID-19

Please remember that there is still a need for everyone to remain vigilant regarding COVID-19 including being aware of the symptoms (high temperature, new, continuous cough and loss of sense of taste or smell), the wearing of face masks and social distancing in and around school.

### #IceFoot92 challenge

Mr Entwistle and a number of our Teachers are aiming to raise as much money as possible to support Len Johnrose's **#IceFoot92** challenge.

Len is a former professional footballer and uncle of Miss Johnrose our Year 3/4 Teacher. He was diagnosed with Motor Neurone Disease in March 2017 and is now confined to a wheelchair. He is aiming to raise £92,000 for the Motor Neurone Disease Association who provide care and support for people with this disease.

We were nominated by our colleagues at Christ the King to take up the challenge which entails keeping your feet in a bucket of ice water for 92 seconds and Mr Entwistle and our Teachers rose to the test admirably! Congratulations and Well Done!!

If you would like to make a donation please click on the link below which will take you to Len's fundraising page.
