Time to Shine!

Values Awards

Children who consistently follow our 4 B's, work hard and shine from the inside out by showing our Christian values will move into 'Time to shine' and will earn a values point. Values points winners will be awarded on Fridays in celebration worship. Parents will be informed on Wednesdays.

Children who choose not to follow our 4 B's will be given two warnings. If they continue to not follow the rules or are involved in a serious incident, they will complete a 'time to think' pink reflection sheet in their break or lunch time. Once they have reflected on their behaviour they will move back into 'Be ready'. Parents may be informed if it is a significant incident or we see a pattern of behaviour.

Reading

- Please encourage your child to read little and often, ideally each day but at least three times a week. Please also ensure that this is recorded in the children's reading record. The children's reading diaries will be checked 2 to 3 times a week. When the children are ready to change their book they are encouraged to write their name on our book change poster on the classroom door. If your child is struggling to find time to read 3 times, they will have the opportunity to do so on a Monday break time.

Spellings

- The children will be taught the spelling focus throughout the week and given their spellings on a Monday. These must be practised for that Friday when they will be tested on these. It is important to keep up with the weekly spellings as we will be expecting to see them spelt correctly in their written work.

Times tables

- The children will really benefit from practising these regularly at home. They're invaluable in accessing many areas of maths as it frees up the children's working memory in order to access more challenging concepts. A common trend that we see in school is that children who have trouble recalling number facts often find maths challenging as a subject. As a school, we believe that everyone can do maths and that achieving fluency in number facts, rather than just accuracy, is essential to breaking down barriers. Please see the following slide for more information regarding times tables.

There will be a times table check in **June 2024**. This has been made statutory by the government for all Year 4 pupils. The test will consist of 25 questions. The children will be given 6 seconds per question. For more information, please see the following link:

<https://www.gov.uk/government/publications/multiplication-tables-check-information-for-parents>

How can you help at home?

- Use 'Times Tables Rock Stars':

**Our PE days this half term are Tuesdays
and Thursdays.**

Children need to come to school in their PE kit on PE days. Black tracksuit bottoms, leggings or shorts and trainers may be worn with house coloured t-shirts or new blue t-shirts and school sweatshirts or zip up hoodie.

Hair past shoulder length must be tied back and no jewellery to be worn.
