Pupilswill begin to learn the names of colours and the names of animals through speaking, reading, and writing activities, and games as well as learning how to use adjectives to describe nouns correctly. Pupils will also start to learn how to give preferences regarding

## Reminders and Homework

## <u>Homework</u>

### **Reading**

colours.

Please encourage your child to read little and often, ideally each day but at least three times a week. Please also ensure that this is recorded in the children's reading record. The children's reading records will be checked weekly.

Children will have the opportunity to change reading books daily. If your child needs to change their book on any day, they can write their name on the sign at the door into Year 3, as they come into school in the morning. Myself or Miss Craig will then ensure that they have an opportunity to visit the library to change their book on that day.

### <u>Spelling</u>

For spelling in Year 3, we will be following a weekly spelling programme, where every Monday, the class will be introduced to a specific spelling focus for the week. For the rest of the week, each day, the class will complete spelling sessions, based on the specific focus for the week. We will then complete a spelling quiz on Friday. It is important to keep up with weekly spellings, as I will be expecting to see the children applying the spelling rules taught each week to their written work in class.

It is also beneficial for your children to practise their times tables at home. Purple Mash and TTRockstars can be used to support your children with this. Their logins for these websites are glued into the front of their reading records.

### <u>Reminders</u>

## <u>P.E</u>

Our PE days for this half term will be on a Monday and swimming on Friday.

All children should come to school in full PE kit on these days. Hair which is past shoulder length must always be tied up and jewellery

is not worn in school either.

Other Reminders

- Children with long hair must have their hair tied up.
- All medicines, including lip balms must be sent to the office. Children are not allowed to administer the use of these by themselves.
- Children should only bring water or clear flavoured water into school in their water bottle.
- Please ensure that your child is bringing in a healthy snack for break time.
