"NOTHING IS IMPOSSIBLE,
THE WORD ITSELF SAYS,
I'M POSSIBLE!"

Audrey Hepburn

With God,
All things
Are possible.

A hot air balloon with a red and blue checkered pattern floats in the night sky. The balloon is positioned to the right of the main text. Below the balloon, a body of water reflects the scene. The sky is dark with many stars and a small, bright moon in the upper left corner. The overall mood is serene and inspirational.

If you believe in yourself
anything is possible.

Can the Paralympics help us become more inclusive of others?

Reflection

How can you show the olympic and paralympic values this week?

How can you include others, regardless of their differences or difficulties?

What 'great things' can you achieve this week through being determined and believing in yourself?
