STORIES by storie

When I needed a neighbour,  
Were you there, were you there?  
I needed a neighbour,  
Were you there?  
You know the creed and the colour  
And the name don't matter,  
Were you there?

# Reflection

*We've been thinking today about being a good neighbour and loving others, as Jesus taught in his parables...*

*We've thought about what the stories of The Good Samaritan and The Lost Sheep might mean...and what we can learn from it...*

*I wonder how Jesus' stories changed the people who heard them..?*

*I wonder whether they might change us..?*

**How could you show kindness and love to each other this week?**

A vibrant sunset scene over a calm ocean. The sun is a bright, glowing orb on the horizon, casting a golden light across the sky and water. The sky is filled with soft, wispy clouds in shades of orange, yellow, and pink. A faint rainbow is visible in the upper left portion of the sky. The ocean's surface is dark with gentle ripples, reflecting the warm light from the sun. The overall mood is peaceful and contemplative.

**Dear God,**

**Thank you for Jesus' stories about how we should treat others and about the love that Jesus had for everyone he met.**

**We are sorry that our world is not like this all the time.**

**Please help us to be the best kind of neighbours that we can be - and be loving and kind towards others.**

**There are times when we need help from others and times when others need help from us.**

**Help us always to be ready to help each other, even people we don't like or are different to us, just as Jesus taught us.**

**Amen.**
