EXCITING EXPLORATION

The left photograph shows a classroom with a teacher standing at the front near a large screen displaying a blue image. Students are seated at long wooden tables, some facing the teacher and others facing each other. The room is decorated with colorful streamers and posters. The right photograph shows a similar classroom scene with students at tables. A large watermark reading 'PIC•COLLAGE' is overlaid on the bottom right corner of the image.

A group of children are sitting on the ground, looking at a color wheel. The wheel is divided into sections with different colors and labels. One child is pointing at the wheel. The text "Exploring light that comes from the sun and how to stay safe" is overlaid on the image. The word "Science" is written in large letters at the bottom.

SING A SONG FOR HARVEST

Sing a song for harvest, sing it loud and clear,

Sing a song for harvest at this time of year.

Praise the One who made the stars and the sun,

Praise the One that gave his gifts to everyone.

Praise our God, let's give!

Praise our God, let's live!

Sing a song for harvest, sing it loud and clear,

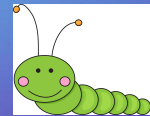

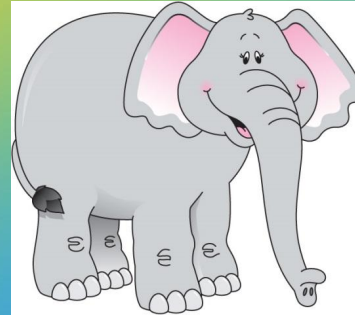

Sing a song for harvest at this time of year.

Praise the One who made the creatures great and small,

Praise the One that gave his gifts to one and all.

Praise our God, let's give!

Praise our God, let's live!

Sing a song for harvest, sing it loud and clear,
Sing a song for harvest at this time of year.
Praise the One who made us every plant and
tree,
Praise the One that gave his gifts to you and me.

Praise our God, let's give!
Praise our God, let's live!

Sing a song for harvest, sing it loud and clear,
Sing a song for harvest at this time of year.
Praise the One who gave us gifts so we can live,
Praise the One who taught us TO GIVE.

Praise our God, let's give!
Praise our God, let's live!

Praise our God, let's give!
Praise our God, let's LIVE!!
