A Challenge...

The Bible...

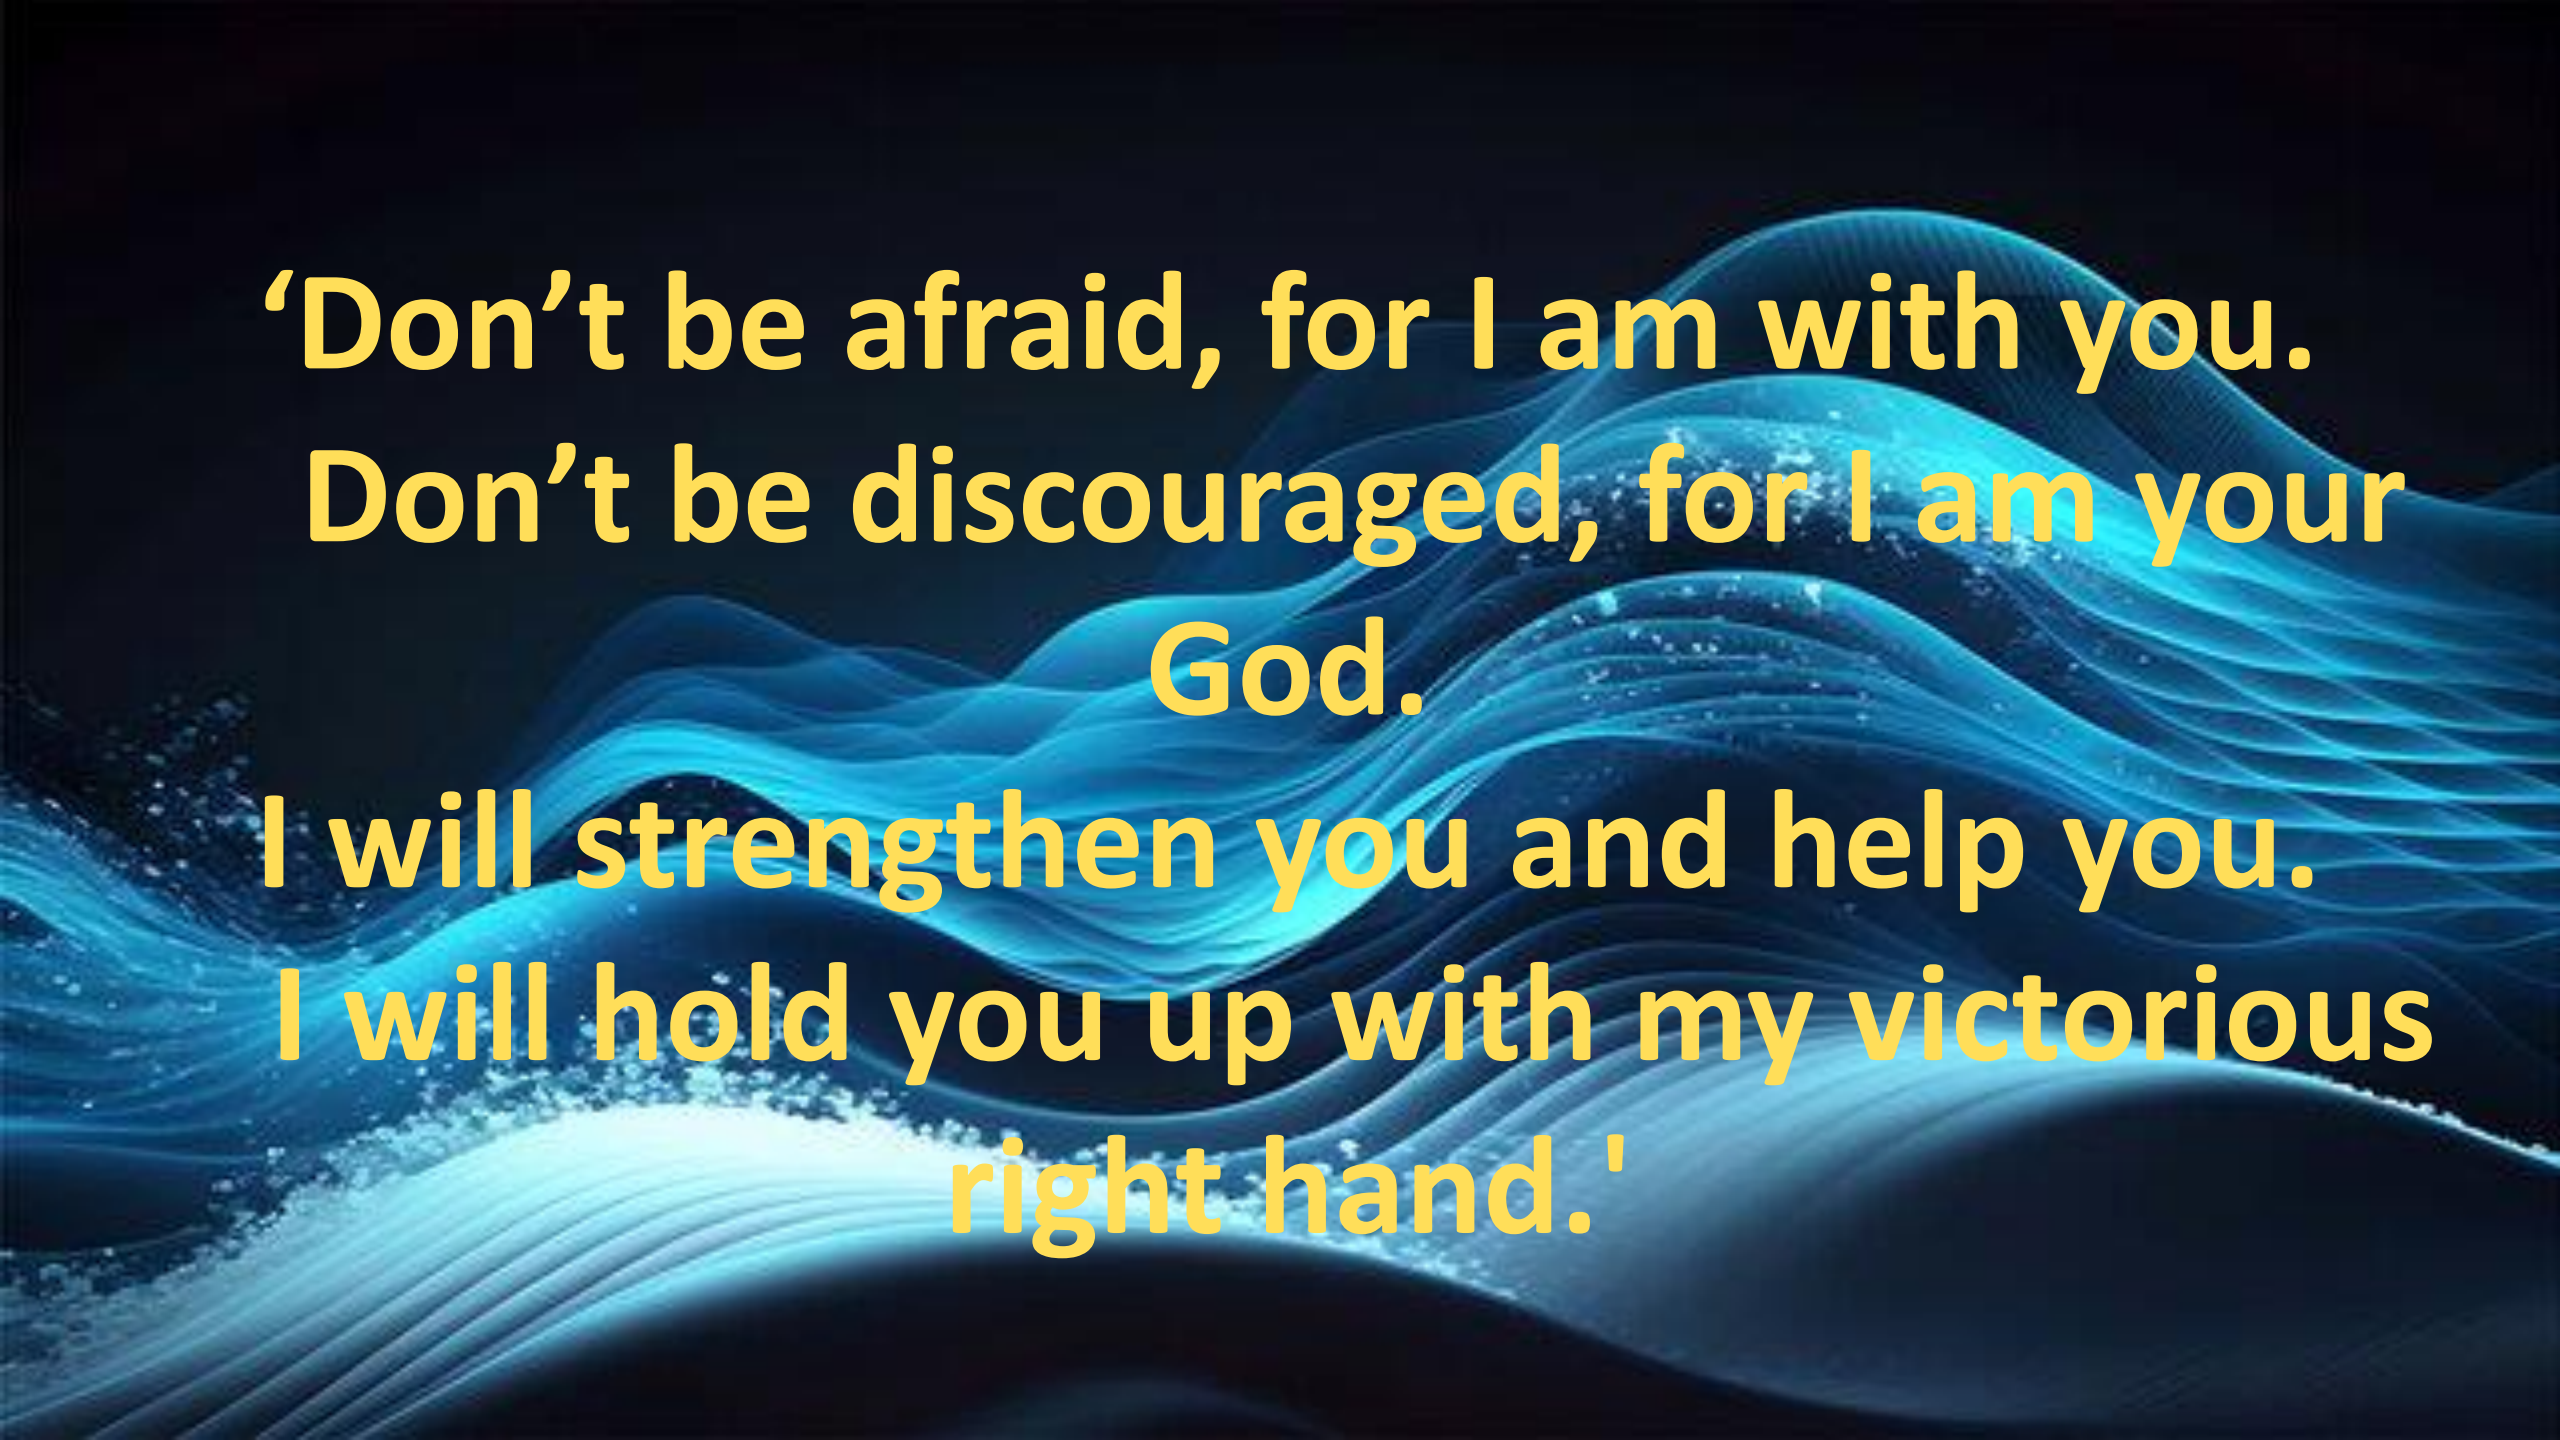

The background of the image features a series of flowing, wavy lines in various shades of blue, ranging from deep navy to bright cyan. These lines create a sense of movement and depth. Scattered throughout the composition are numerous small, bright white and light blue particles, some of which appear to be trailing or glowing, adding a dynamic and ethereal quality to the overall aesthetic.

**The Bible says God made the
world Perfect for humans.**

**To live in the perfect world we
had to just follow one rule.**

**But Adam and Eve messed up and
broke the rule. But even then God
stayed with them**

**So, let's do the same. Let's be
generous with our care to others
even when they mess up.**

The background of the image is a dark blue gradient with flowing, wavy lines of a lighter blue color. These waves have a shimmering, ethereal quality, with small white and light blue particles or sparkles scattered throughout, particularly concentrated along the crests of the waves. The overall effect is one of dynamic movement and spiritual light.

**'Don't be afraid, for I am with you.
Don't be discouraged, for I am your
God.**

**I will strengthen you and help you.
I will hold you up with my victorious
right hand.'**

TAKE A LITTLE TIME TO THINK.

The background of the image features a series of flowing, wavy lines in various shades of blue, ranging from deep navy to bright cyan. These lines create a sense of movement and depth. Scattered throughout the composition are numerous small, bright white and light blue particles, some of which appear to be trailing or glowing, giving the overall effect a dynamic, almost ethereal quality.

In the Bible story, how is God generous in caring for Adam and Eve? Think especially to after they messed up

Think of one way you could show generous care to someone this week.
