The good shepherd lays down his life for the sheep.

Spirituality- The quality of being concerned with the human spirit or soul as opposed to material or physical things.

Spirituality is about an inner sense of connection to the people and the world around you, based on the belief that there are things beyond human control or explanation.

“Spirituality is about our relationships with ourselves, our family, friends, those around us, to God and to all of creation.”

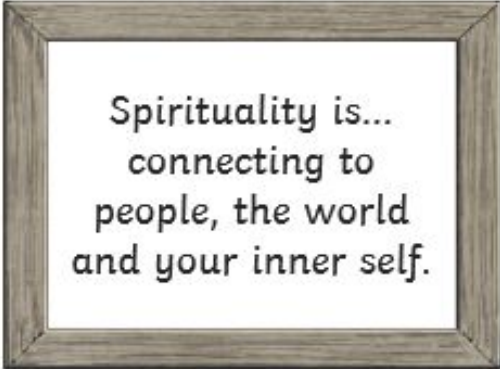

**Physical/ material
things that you can see**

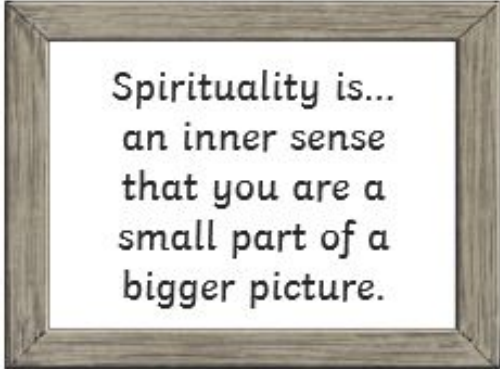

**Spiritual things that
you can't see or touch**

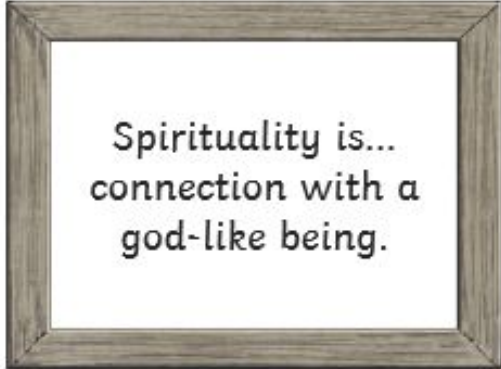

Perhaps Spirituality Is All of These Things...

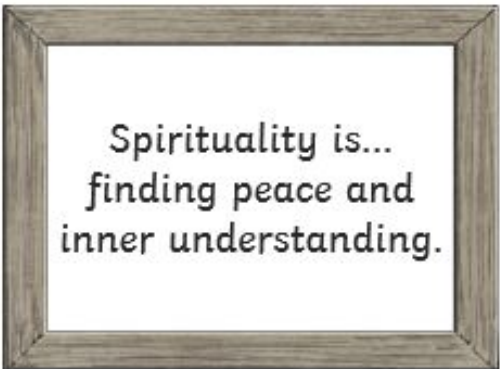

Spirituality is...
connecting to
people, the world
and your inner self.

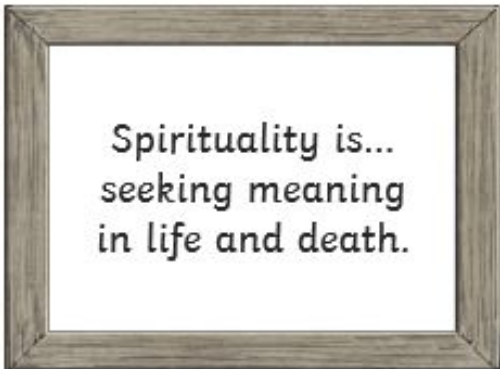

Spirituality is...
an inner sense
that you are a
small part of a
bigger picture.

Spirituality is...
connection with a
god-like being.

Spirituality is...
finding peace and
inner understanding.

Spirituality is...
seeking meaning
in life and death.

TALK & LISTEN,
BE THERE,
FEEL CONNECTED

DO WHAT YOU CAN,
ENJOY WHAT YOU DO,
MOVE YOUR MOOD

REMEMBER
THE SIMPLE
THINGS THAT
GIVE YOU JOY

EMBRACE NEW
EXPERIENCES,
SEE OPPORTUNITIES,
SURPRISE YOURSELF

Your time,
your words,
your presence

Learning about life in all its fullness

These are opportunities to look out at the world to learn, to gaze, to wonder and become aware of the world in new ways; to wonder about life's 'WOWs' (things that are amazing) and 'OWs' (things that are worrying or upsetting).

I wonder.....

Why did that happen?

A scenic view of a sunset over a body of water. The sky is filled with silhouettes of birds in flight. The water reflects the warm colors of the sunset. In the foreground, there are wooden planks and some reeds.

**EVERYDAY IS BEAUTIFUL
IF YOU CHOOSE TO SEE IT.**

Learning from life

By exploring our own insights and perspectives, and those of others. These are opportunities for us to look inward and reflect on our experiences, to consider some of the BIG questions of life and consider some possible answers.

What happened?

How did it make you feel?

Doors

Learning to live by putting into action what you believe

There are opportunities to respond, to **DO** something, to go through the 'door' of a creative expression of our own thoughts and convictions. Putting thoughts and ideas into action and becoming inspiring change-makers and Courageous Advocates, who have the confidence to truly believe that we can make a difference in the world.

How could you make a difference?

What could you do?

*We can change the world and
make it a better place. It is in
your hands to make a difference.*

- Nelson Mandela

Reflection

I think spirituality means...

I feel inner peace when...

**I feel a connection to the people
around me when...**

**I feel a connection to the world around
me when...**

A monarch butterfly with orange and black wings is perched on a pink flower. The background is a soft-focus green. A large, light-colored circle is overlaid on the right side of the image, containing the text of a prayer.

WONDERFUL
GOD,

WE LIKE YOUR EARTH.
IT'S AMAZING! PLEASE BLESS
ALL PEOPLE AND ANIMALS—
ALL LIVING THINGS. HELP US
TAKE CARE OF YOUR
CREATION.

AMEN.

Cause You gave me a heart
And You gave me a smile

An illustration of three children (two boys and one girl) standing in a grassy field under a blue sky. The boy on the left is holding a large blue heart above his head. The girl in the middle is holding a yellow heart. The boy on the right is holding a red heart. The entire scene is framed by a large, hand-drawn red heart border.

You gave me Jesus
And You made me Your child
