**TOLERANCE**  
OF THOSE WITH DIFFERENT  
FAITHS AND BELIEFS

- **Tolerance of those of different faiths and beliefs**

In Britain we accept that other people might have different beliefs than ours and they may believe in different religions.

## Mutual Respect and Tolerance

- I know my behaviour, actions and words can affect others
- I understand and respect that not everyone is the same as me and everyone needs to be treated as an individual
- I know that life is not the same for everyone
- I understand that people's faiths and beliefs are different, and I respect that

Can I be friends  
with someone who  
doesn't believe the  
same things that I  
do?

# Which superhero do you prefer?

# Which toy do you prefer?

make any

# We are all different in many ways...

What you have done

What you are good at

What you believe in

Where you are from

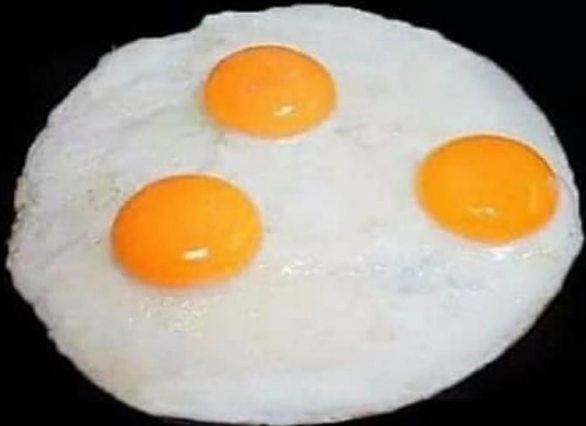

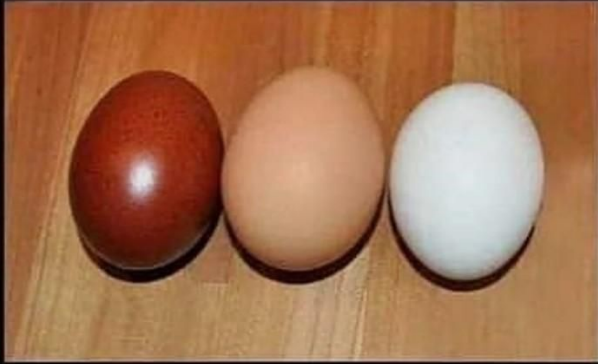

Things you like doing

Things you like to eat

How you see things

How you look

# Tolerance

All of this is called tolerance-accepting that people have differences and not falling out with them about it. Being tolerant and accepting people's differences is an important part of our British values.

Tolerance means showing respect for the

- Race
- Religion
- Age
- Gender
- Opinions

of other people or groups.

# Watch this film about some birds not being tolerant.

<https://www.youtube.com/watch?v=k2PJ6T7U2eU>

- Which characters were not being tolerant in the film?
- Why weren't they being tolerant?
- How do you think the big bird felt?
- What could the little birds have done to make the big bird feel welcome?

peace  
begins with  
tolerance  
and  
respect  
for everyone

- All over the country, Muslims and Christians, Jewish people and Hindus have been arranging joint events to learn about each other's religions

- We believe in Respect for All!

# How will you show tolerance?

Think about how we can show tolerance and acceptance of differences to everyone who is part of our school family and community? Does anyone have any ideas?

Dear God, you made us all different but all human.

Help us to show respect and tolerance to each other and celebrate our differences.

Please guide us in our lives in the way of peace.

Help us to be peacemakers.

Show us how to live in harmony.

Amen

So many people, so little time  
I wish they all could be a  
friend of mine

So many places I want to see  
I wish we all could live in  
harmony

So many races, so many creeds.

So many people with so many  
needs

So many choices for you and for  
me

I wish we all could live in harmony

For we are one world

One world

With one dream

With one dream

And when we sing together  
peace and harmony is the  
theme

We are one world

One world

With one heart

With one heart

And we can sing with one great  
voice

We can sing with just one voice

We can sing our song in  
harmony.

So many others have shown  
me the way  
I see the dawning of a brand  
new day  
So many people want to be  
free  
I wish we all could live in  
harmony

For we are one world

One world

With one dream

With one dream

And when we sing together  
peace and harmony is the  
theme

We are one world

One world

With one heart

With one heart

And we can sing with one great  
voice

We can sing with just one voice

We can sing our song in harmony.

In harmony
