PEACE BE WITH YOU

And also with you

The image features two lit red candles as the central focus. The candles are cylindrical and have a warm, yellow-orange flame. They are set against a dark, almost black background. The entire scene is framed by a border of small, bright blue and white stars, giving it a celestial or night-time feel. The word 'Hope' is written in a white, elegant script font to the left of the first candle, and the word 'Peace' is written in the same font to the right of the second candle.

Hope

Peace

We lit the first candle to pray for hope.

We light this second candle to pray for peace; peace for ourselves and for the whole world. We ask for the peace of mind that comes from seeing things clearly.

We pray for everyone who lives in the midst of conflict or war. May they find some sign of peace that shines like this candle flame.

Lord Jesus Christ, Prince of peace, reign in our hearts and in all the world. Come close to us this Advent. Amen

¹⁰ 10 Then the angel said to them,
"Do not be afraid, for behold,
I bring you good tidings of great joy
which will be to all people."

JESUS SAID:

**"I came so that
everyone would
have life in its
fullest"**

**Dear God,
Thank you for all the joyful moments that we have
experienced even when times have been tough.**

**Thank you for all the times when we have helped
people out and seen the joy that they have
experienced.**

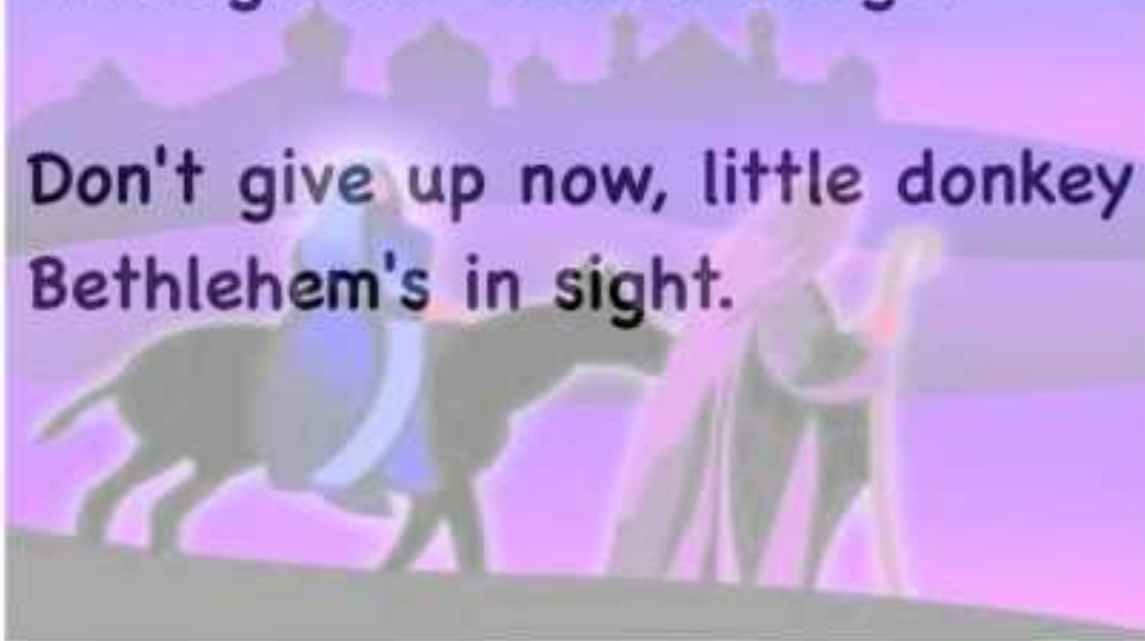

**Thank you for the birth of baby Jesus and the joy that
this has given people.**

**Please help us to experience joy and bring joy to
others this Christmas.**

Amen.

Been a long time, little donkey
Through the winter's night

Don't give up now, little donkey
Bethlehem's in sight.

And all the angels
sang for him,

the bells of heaven
rang for him

for a boy was born,
king of all the world.

Ding dong! Ding dong!
Ding dong! Ding dong!
Ding dong! Ding dong!
Ding dong merrily on high,
the curse of sin is broken:
Ding dong open up your eyes
The celebration's starting!
Gloria, Hosanna in excelsis!
