A Game...

The Ascension:

**Jesus serves us
from Heaven.**

Jesus' friends were happy.

Jesus was alive!

Then Jesus went into heaven.

How do you think His friends felt?

Christians believe that Jesus went back to heaven.

He is not limited to one time and place.

He is always able to help us.

A close-up photograph of a wooden bench. The bench is composed of several horizontal wooden slats. The top slat is painted red, and the bottom slat is also painted red. The middle slats are painted yellow. A blue stripe is painted across the middle slats, containing the text "TAKE A LITTLE TIME TO THINK." in white, uppercase, sans-serif font. There are two white circular marks on the yellow slats, one on the top one and one on the bottom one. The bench is set on a dark, speckled ground.

TAKE A LITTLE TIME TO THINK.

**How do Christians believe that
Jesus serve us from heaven?**

**How would you want Jesus to
serve you today?**
