...from that of what we eat overall should come from each food group to achieve a balance. It is not always possible to achieve this balance with every meal, but try to get the balance right over a day or even a week.

Year 6

God grant you peace at Christmas
And fill your heart with cheer,
God grant you health and happiness
Throughout the coming year,
God guide you with His wisdom
And keep you in His care –
This is my special wish for you,
This is my Christmas prayer.

May
the Prince of Peace
envelop you
in His love
today.

Let there be
Peace
