How can we help to protect God's creations
during Lent?

How can we help to save energy?

How can we save water?

How can we save trees and plants?

How can we reduce the amount of paper and

RED NOSE DAY IS BACK

Red Nose Day is back on Friday 19th March and this year it's never felt more important to have some fun and raise money to support people living incredibly tough lives. We need the power of funny to turn laughs into lasting change. So whatever you can do, please join us.

Friday 19th
March

Dear Lord,

Thank you for bringing us back together again as a school family.

Thank you for the world that you have created, which we share with other people.

Please help us to look after our world and all of your creations.

Please help us to appreciate and celebrate the gifts of others.

Please help us not to become jealous, but to be grateful for our own gifts and abilities.

Please help us to work co-operatively as a team as we are stronger together.

Please help each of us to play our parts in the community and wider world.

Amen.

Lord in your
mercy

TOGETHER

WE CAN

MAKE A

DIFFERENCE

I can make a difference

You can make a difference

We can make a difference In this world of ours (repeat)

I've got the power – to do some good

I've got the power – to change my attitude

I've got the power – to say if I don't agree

I've got the power – to dream what I'd like to be

I can make a difference...

You've got the power – to go the extra mile

You've got the power – to listen for a while

You've got the power – to lend a helping hand

You've got the power – to try and understand

I can make a difference...

We've got the power – to choose between right or wrong

We've got the power – to sing along with this song

We've got the power – to show a little grace

We've got the power – to make this a better place

I can make a difference...
