**Don't know much about the ozone layer,  
Rainforests seem miles away.  
But each of us could be a player,  
Fight to save the world God has made.**

**This is God's world, this is God's world  
And you're a member of the human race  
This is God's world, this is God's world  
Let's try to make it a better place.**

Thank you for  
bringing out  
the best in us!

Let your light shine  
for ALL the world to see!

**From the inside  
out,  
That the world will  
see  
you live in me.**

**HAPPY  
RETIREMENT**

May the blessings of  
Family, Friends and Health  
and the satisfaction of a job well done  
fill your life with happiness.

God Bless your Retirement

**And He's known me**  
**And He's loved me**
