*Help support foodbanks with food
and funds this harvest*

A wide-angle photograph of a vast, golden wheat field under a clear blue sky. The sun is low on the horizon, creating a bright lens flare and casting a warm glow over the scene. Several large, rectangular hay bales are scattered across the field, some in the foreground and others further away. In the background, a line of dark green trees is visible against the horizon.

Dear God,

Thank you for the seeds, the sun and the rain to help the crops grow strong.

Thank you for the Farmers for looking after the crops and helping them grow. Thank you for the bakers for making our bread.

Thank you God for making us so lucky; for food to eat, for our houses, for our money and comforts and for our good health.

Please help other people who are not as lucky as us.

Help them to get some money,
some food and somewhere safe to stay.

Amen

SING A SONG FOR HARVEST

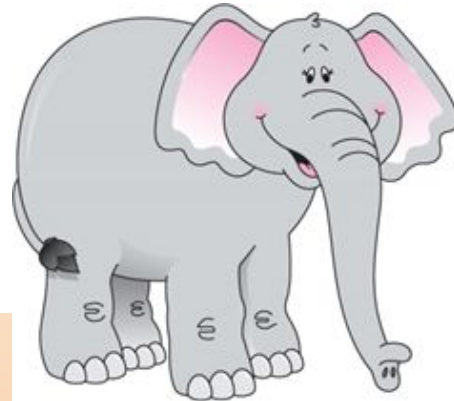

Sing a song for harvest, sing it loud and clear,
Sing a song for harvest at this time of year.
Praise the One who made the stars and the sun,
Praise the One that gave his gifts to everyone.

Praise our God, let's give!
Praise our God, let's live!

Sing a song for harvest, sing it loud and clear,
Sing a song for harvest at this time of year.
Praise the One who made the creatures great and small,
Praise the One that gave his gifts to one and all.

Praise our God, let's give!
Praise our God, let's live!

Sing a song for harvest, sing it loud and clear,
Sing a song for harvest at this time of year.
Praise the One who made us every plant and tree,
Praise the One that gave his gifts to you and me.

Praise our God, let's give!
Praise our God, let's live!

Sing a song for harvest, sing it loud and clear,
Sing a song for harvest at this time of year.
Praise the One who gave us gifts so we can live,
Praise the One who taught us TO GIVE.

Praise our God, let's give!
Praise our God, let's live!

Praise our God, let's give!
Praise our God, let's LIVE!!
