

## Learning in EYFS: RE

The EYFS framework is structured very differently to learning within key stage one and two as it is organised across seven areas of learning rather than subject areas. The aim of this document is to help subject leaders to understand how the skills taught across EYFS feed into later learning.

The table below outlines the most relevant statements taken from the Early Learning Goals in the EYFS statutory framework and the Development Matters age range for Reception.

The most relevant statements for RE are taken from the following areas of learning:

- Personal, Social and Emotional Development
- Understanding the World
