# Mary and Joseph's Flight to Egypt

## Reflection

**How would Mary and Joseph have felt when they arrived in Egypt?**

**How would they have settled in to their new life?  
Would they have found things difficult?**

# Refugees

# Reflection

Christ asks us to welcome refugees with arms wide open just like he would have wanted Egyptians to welcome Mary and Joseph.

How can we welcome refugees?

What can we continue to do?

When Christians remember Joseph and Mary's escape, we can understand the feelings of refugees.

# Let us pray...

**Lord Heavenly Father,**

Help us to think about all of the people who have left their homes to escape from danger. May you give them the strength and love to get through such a difficult time. Thank you to those who continue to look after refugees and may we always welcome them with open arms, just as Jesus asks us to.

Amen

I can make a difference
