What do we do?

FOSB are team of volunteer parents and carers of St Barnabas children. We work together to raise funds for the school to allow the school to buy things that normal funding does not cover. We are currently saving money for a school bus to support school events and trips and to make life easier for the school and parents, and are hoping for another super year of fundraising events!

We meet on a regular basis to discuss and plan your events, and are always looking for new additions to our fantastic team!

How to get involved...

We are always needing more support from our fabulous parents to volunteer for events, ideas, and to help take some of the workload from the team above. The more support we have the more that we can do to achieve our targets and improve the school resources, so if you would like to get involved please let one of the team know, or email f.o.stbarnabus@gmail.co.uk.

We also welcome any suggestions or ideas from parents and carers on raising money for the school. Again, please email us at f.o.stbarnabus@gmail.co.uk, with any suggestions or feedback!

NEWSLETTER—October 2022

What a fantastic year we had!

At the beginning of last year we set ourselves a fundraising target of £2500 for the 2021-22 school year, and through the Christmas and Mothers Day Shops, the Easter Competition and the Summer Fayre we managed to raise a whopping **£2263.38!**

That is down to the hard work and dedication of not only the PTFA, but to our teachers and parents/ carers / grandparents too. THANKYOU for your amazing help and support once again, and lets see what we can do this year!

This years target is another £2500! Beep Beep!

Take a look at some of the pictures from our year below.....!
