**Some superpowers are easier to
work out than others!**

**Today Jesus calls His team, and we
will see what superpowers they
had...**

This is the word of the Lord
Thanks be to God

**In the Bible story, what kind of people
did Jesus pick?**

Jesus decided to build a team.

Christians believe that Jesus is the King of the Universe, but His team was pretty ordinary.

**They weren't that good at their job
and they kept making mistakes.**

**But Jesus didn't sack them, He loved
them and still worked through them.**

The best followers of Jesus don't have super-powers.

God works today through ordinary people who love Jesus and admit it when they get things wrong.

One thing that helps Christians to persevere, is believing that knowing God isn't about what we do, but what Jesus does through you.

What do you do when you realise you've got something wrong?

What difference do you think it makes to know that God can use people who don't have superpowers?
