## A group of children are sitting around a table, painting Easter eggs. They are using various colors of paint and brushes. The table is covered with a patterned cloth, and there are several yellow trays containing paint. The children are focused on their work, and the atmosphere is creative and fun.

## MIXED MESSAGES IN THE MEDIA

Gripping on tightly to her brother's hand - scared they would be separated.  
a tall woman shouted her name

Holding on to her box of untouched, homemade sandwiches, the tiny girl did not dare even look at the giant of a man.

Twirling her ribbon-tied braids, the unfortunate girl's bubbly, excited smile immediately faded when a large, shadowy figure opened the door.

## EMOTION-DRIVEN NARRATIVE

Friday 6<sup>th</sup> January 2022

It was a summer morning when a well man called Max had a large BANG at the door. He never had many visitors so he was quite surprised. "I am surprised," when I go outside and down the upstairs stairs the door was open and there was a long man. There was a small bespy-looking woman with a dozen or bagged children.

"Hello," the woman said awkwardly. "I am the billings expect you this and with the delectation of new improve. I am sure you are going to do your duty." He was really surprised. "What is it?" he asked, "I am a nurse."

Max said, "I am a nurse." He was a nurse. He was the smallest boy around him and they walk away leaving Max and the boy.
