Look out  
& learn

## Learning about life in all its fullness

These are opportunities to look out at the world to learn, to gaze, to wonder and become aware of the world in new ways; to wonder about life's 'WOWs' (things that are amazing) and 'OWs' (things that are worrying or upsetting).

**I wonder.....**

**Why did that happen?**

# Mirrors

Look in &  
reflect

## Learning from life

By exploring our own insights and perspectives, and those of others. These are opportunities for us to look inward and reflect on our experiences, to consider some of the BIG questions of life and consider some possible answers.

**What happened?**

**How did it make you feel?**

# The Nazis

Nazi  
soldiers

Nazi laws in Germany meant that Jewish people:

- Couldn't go to school
- Couldn't marry people who weren't Jewish
- Weren't allowed to vote
- Weren't allowed to do many jobs

For example, when Otto Deutsch was 10 years old, there were new laws in Austria where he lived:

*'A Jew mustn't own a bicycle, nor a pet. I went to the local park and saw a sign saying **Jews forbidden** – I wasn't allowed to kick my football about in the park.'*

# The Holocaust

**The Nazis killed 6 million Jewish people during the Holocaust.**

**Anne Frank lived in hiding when the Nazis tried to take her family away. They hid for two years before being found.**

**Bernd Koschland came to England as a child to escape the Nazis. He had to leave his family behind.**

**Susan Pollack survived horrible treatment by the Nazis. Lots of her family were killed.**

# Reflection

**The Holocaust shows the worst of human behaviour: racism and cruelty. But it also shows us how strong, kind and brave we can be.**

**When we see the people in our lives treated cruelly, what should we do to help?**

**What will you do to be strong, courageous and kind?**

**Doors**

Step  
out &  
do

Learning to live by putting into action  
what you believe

There are opportunities to respond, to **DO** something, to go through the "door" of a creative expression of our own thoughts and convictions. Putting thoughts and ideas into action and becoming inspiring change-makers and Courageous Advocates, who have the confidence to truly believe that we can make a difference in the world.

**How could you make a difference?**  
**What could you do?**

**Dear God,  
In a world that can sometimes seem dark and  
lonely ,  
May we be like Jesus, the light of the world  
and shine like candles bringing joy and hope  
into each other's lives.**

**We remember all those who experienced the  
Holocaust, both those that died and those that  
survived.**

**Help them all find peace. And help us to  
always be ready to stand up to cruelty. Help  
us to be courageous, respectful and kind, so  
such things can not happen again. Amen**

## As One

We've got to get on together,  
Think of each other,  
Look at ways to help us get  
along.

If we can learn how to listen,  
Where there's division,  
We can live as one.

Look at ways to help us get  
along.  
If we can learn how to listen,  
Where there's division,  
We can live as one.

We've got to trust one  
another,  
Stand with each other,  
Fix our eyes on all that's right  
not wrong.  
If we can learn to be sorry,  
Love everybody,  
We can live as one.
