A prayer for Fairtrade Fortnight

Heavenly Father, We pray for the success of another Fairtrade Fortnight. May we work together as one human family to choose the Fairtrade option and improve the unfair working conditions of some of the worlds poorest people. We remember our sisters and brothers around the world, especially children, who are paid so little and expected to work so hard. May you grant them hope and strength in their time of need.

Amen

TOGETHER
WE CAN
MAKE A
DIFFERENCE

I can make a difference

You can make a difference

We can make a difference In this world of ours (repeat)

I've got the power – to do some good

I've got the power – to change my attitude

I've got the power – to say if I don't agree

I've got the power – to dream what I'd like to be

I can make a difference...

You've got the power – to go the extra mile

You've got the power – to listen for a while

You've got the power – to lend a helping hand

You've got the power – to try and understand

I can make a difference...

We've got the power – to choose between right or wrong

We've got the power – to sing along with this song

We've got the power – to show a little grace

We've got the power – to make this a better place

I can make a difference...
