A photograph showing a classroom scene. In the foreground, several students wearing red school uniforms are seated at desks, looking towards a large screen at the front of the room. The screen displays a presentation slide titled 'The 50/50 rule' with a yellow speech bubble containing the text 'You should be able to do 50% of the work in 50% of the time'. To the left of the screen is a whiteboard, and to the right are various classroom posters and notices.

The image shows an open notebook. The left page contains a table with several rows and columns, some of which are filled with handwritten text. The right page is mostly blank, with a small diagram or table visible in the bottom right corner.

The screenshot shows a web browser window with a form containing several input fields and a table. The form includes fields for "Name", "Address", "City", "State", "Zip", "Phone", "Email", and "Password". The table has three columns: "Name", "Address", and "City". The table contains three rows of data.

LORD IN  
YOUR MERCY,  
HEAR OUR  
PRAYER

I danced for the scribe and the pharisee.

They would not dance and they would not follow me.

I danced for the fishermen, for James and John

they came to me and the Dance went on.

# The Grace ...

May the grace of our Lord Jesus Christ,  
And the love of God,  
And the fellowship of the Holy Spirit  
Be with us all,  
Now and forever more.

Amen
