Learning about life in all its fullness

These are opportunities to look out at the world to learn, to gaze, to wonder and become aware of the world in new ways; to wonder about life's 'WOWs' (things that are amazing) and 'OWs' (things that are worrying or upsetting).

I wonder.....

Why did that happen?

reflect

Learning from life

By exploring our own insights and perspectives, and those of others. These are opportunities for us to look inward and reflect on our experiences, to consider some of the BIG questions of life and consider some possible answers.

What happened?

How did it make you feel?

Doors

Learning to live by putting into action what you believe

There are opportunities to respond, to **DO** something, to go through the 'door' of a creative expression of our own thoughts and convictions. Putting thoughts and ideas into action and becoming inspiring change-makers and Courageous Advocates, who have the confidence to truly believe that we can make a difference in the world.

How could you make a difference?

What could you do?

Reflection

How can you 'be kind' and show generosity and 'give' during Lent to help others?

The image features a serene landscape of layered mountains under a sunset sky. The sky transitions from a pale blue at the top to a warm orange and yellow near the horizon. The mountains are silhouetted against the bright light, creating a sense of depth and tranquility. The word "Gratitude" is written in a large, elegant, black cursive font, centered in the upper half of the image. Below it, the question "What are you thankful for?" is written in a smaller, black cursive font.

Gratitude

What are you thankful for?
