A photograph showing a man in a dark t-shirt pouring water from a clear plastic bottle into the mouth of an elderly woman with grey hair. The woman is wearing a red and white checkered shirt and has her head tilted back. The background is dark and out of focus, suggesting an outdoor setting at night. The text "Give us compassion we pray" is overlaid at the bottom of the image in white font.

Give us compassion we pray

The Trinity

In the name of the
Father,

In the name of the Son

And in the name of
the Holy Spirit,

Amen

PEACE BE WITH YOU

REFLECTION

Nothing is too small to be shared. Whatever we have to share can make a difference to those around us. Nothing is too small to be shared with others.

- ♥ What could you share?
- ✋ How could you be more generous with what you have?
- 🍞 How could you think of others more?
- 🍞 What will you do today that is a special act of sharing?
- 🍞 How can you show kindness and 'give' during Lent to help others?

Which Christian Values can you show this Lent?

CARE for GOD'S CREATION

 THE CHURCH OF ENGLAND

 CHURCH HOUSE PUBLISHING

Thank you God, for the light and energy we use every day.

May all countries act swiftly to reduce energy use and combat climate change.

Help us to make small changes where we can.

Help us to shine the light of Jesus wherever we are today and this week. Amen

Creator God, we thank you
for water to drink, cook,
wash, and play with. We
pray that everyone may learn
to use water more wisely
and share it more fairly.

Amen

Loving Father, we praise you for
the beauty and plenty of nature.

**Help us to do all we can to protect plants and
trees and to tread more gently on the
earth. AMEN**

Lord of sea and sky, we bless you for the wonders of Creation.

May the people of the world act together to ensure the oceans and air are protected rather polluted. Amen

There will be

**more plastic
than fish**

in the ocean by 2050.

**SAVE THE
WORLD**

REFLECTION

-  How can we help to protect God's creations?
-  How can we help to save energy?
-  How can we save water?
-  How can we save trees and plants?
-  How can we reduce the amount of paper and plastic we use?

Creator God

Thank you for making this amazing world. Thank you for making it so beautiful. Thank you for loving every person you have made in the whole world. Please help us to look after the world.

Please help us to look after each other. Please stop climate change hurting people and all your creatures.

Please help us not to be greedy, and to trust you to give us enough. Please help us to share what you have given us.

AMEN

(Tearfund 'Hope for Creation ')

The Grace...

May the grace of our Lord Jesus Christ,
And the love of God,
And the fellowship of the Holy Spirit
Be with us all,
Now and forever more.

Amen

We can change the world and make it a better place. It is in your hands to make a difference
