

St. Barnabas – the Encourager

Do you recognize these symbols?
What do they all have in common?

What about this symbol?

We are proud to be a part of our school!
Did you know our school badge is our superhero symbol?
So, as members of St Barnabas Primary, what is our superpower?

WE ARE.....ENCOURAGERS!!!

Learning and growing together in a love-filled Christian family –

We can only learn and grow together if we help and encourage each other!

So, what did St Barnabas do that was so special?

Click link <https://www.youtube.com/watch?v=BK8MM42pi1A>

St Barnabas...

...sold his farm and gave his money to the disciples to help them spread the word of Jesus.

...encouraged the apostles to be friends with Paul and give him a chance.

...always saw the good in people and built them up.

How would
you
encourage
this
boy?

Why is this girl
looking so fed
up in the
mirror?

How would
you
encourage
her?

This person came
third in the race.
How would
you
encourage
her?

Next time someone needs some encouragement, don't forget your superpower!

Let's pray

Dear Lord,

May you give us the strength each day to focus on the good things in life. May you teach us the patience and kindness to help our friends who are not focussing on the good things and remind us to encourage them so that they can be their best selves.

Amen
