"History believes judges us to the point where we are bound to live. There really was an empty tomb, and there really were witnesses of times, the stone got transformed. History then asks: so how do you explain that?" (St. Francis)

Why do Christians believe Easter is both true *and* life-changing?

**EQUITY**  
Everyone gets the support they need, which produces equity.

**JUSTICE**  
All 3 can see the game without supports or accommodations because the cause(s) of the inequity was addressed. The systemic barrier has been removed.

**REALITY**  
One gets more than is needed, while the other gets less than is needed. Thus, a huge disparity is created.

### Reception Stay and Play

Parents and carers from our Reception class are welcome to come and join us for a stay and play session from 9.00–9.30am. Preschool children and younger siblings are also welcome to attend! We respectfully ask that only one adult attends per child due to limited space in the classroom. Thanks.

### Earth Day

Let's Celebrate Earth Day! Calling all eco-warriors! On Wednesday, April 22nd, we are going green (and blue!) to celebrate World Earth Day. We're inviting all children to dress in blue and/or green to represent our beautiful planet and its oceans. If your child prefers, they are more than welcome to stick with their standard blue uniform—they'll still fit right in with our Earth Day colours! The children will be budding environmentalists for the day, taking part in planet-focused activities. We can't wait to see a sea of blue and green across the school as we learn how to protect our planet!

### Year 3 Rock and River Outdoor and Adventurous trip

Year 3 will be going on a one day outdoor and adventurous trip to Rock and River in Ormskirk for Year 3 on Thursday 30th April 2026. The aim of the day is to use the outdoors to learn about themselves, others, and the environment. We want the children to try new things outside their comfort zone and explore their potential, making lifelong memories. They will be taking part in a variety of outdoor and adventurous activities such as canoeing and rock climbing.
