The words "EARTH DAY" are written across the globe in large, bold, orange letters with a white outline. Surrounding the Earth is a large circle of diverse children of various ethnicities and ages, all holding hands. They are wearing colorful clothing like green, pink, blue, and orange. The background is a dark blue space with white stars. The entire scene is set against a bright blue sky and a green grassy field at the bottom.

An infographic on a light blue background. It features various icons of plastic waste (bottles, containers, a funnel) and fish. The text is centered and reads: "There will be more plastic than fish in the ocean by 2050."

There will be
**more plastic
than fish**
in the ocean by 2050.

An illustration on a blue background. A hand is shown holding a white plastic bag filled with various plastic bottles and containers. The bag has the text "STOP PLASTIC POLLUTION THE OCEAN" written on it. Below the hand, the scene transitions into an underwater ocean environment with various sea creatures like dolphins, a shark, a turtle, and several colorful fish. Reflection

How can we help to protect God's creations?

How can we help to save energy?

How can we save water?

How can we save trees and plants?

How can we reduce the amount of paper and plastic we use?
