SAINTS FUN FACTS

Barnabas sold his land and possessions and gave the proceeds to the Apostles. He and Paul undertook missionary journeys together converting many to Christianity. He was also one of the first teachers of the Church at Antioch. They both attended the Council of Jerusalem to deal with the issue of converting Gentiles to Christianity.

St Barnabas...

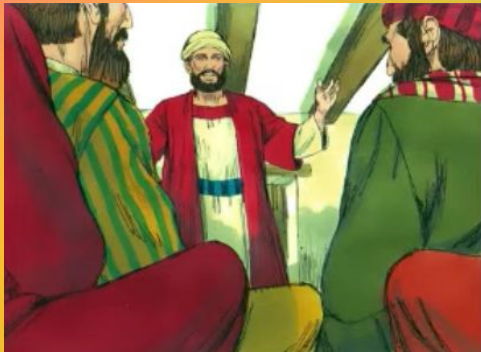

...sold his farm and gave his money to the disciples to help them spread the word of Jesus.

...encouraged the apostles to be friends with Paul and give him a chance.

...always saw the good in people and built them up.

WE ARE.....ENCOURAGERS!

Achieving great things through learning and growing
together in a love-filled Christian family

We can only learn and grow together and feel like we
belong if we help and encourage each other!

Reflection

- How can you encourage each other like St Barnabas, the encourager?
- Can you show courage like St Paul did?
- How can you build each other up?

A vibrant sunset scene over a calm ocean. The sun is a bright, glowing orb on the horizon, casting a golden light across the sky and water. The sky is filled with soft, wispy clouds in shades of orange, yellow, and pink. A faint rainbow is visible in the upper left portion of the sky. The ocean's surface is dark with gentle ripples, and a small, distant light is visible on the horizon line.

Dear God,

Thank you for Paul who lived in extreme danger in order to tell people about Jesus. Help us to appreciate those who are brave and courageous and to stand firm for what they believe as did Paul and the first followers of Jesus. Give us courage when we need to be brave.

Thank you for St Barnabas, the encourager. Help us to encourage and build each other up so that everyone feels that they belong in our school family.

AMEN

A photograph of two hikers on a rocky mountain peak. One hiker, wearing a red shirt and dark pants, is standing on the peak and reaching down to help another hiker, also in a red shirt, who is climbing up. The background shows a vast mountain range under a blue sky with white clouds. The image is framed by a colorful gradient border.
