Learning about life in all its fullness

Opportunities to look out at the world to learn, to gaze, to wonder and become aware of the world in new ways; to wonder about life's 'WOWs' (things that are amazing) and 'OWs' (things that are worrying or upsetting).

I wonder.....

Why did that happen?

Scrumptious Production

'SCRUMPTIOUS!' is a very sweet and magical show about coping with change and making new friends; it's perfect for children as they prepare to make the move from primary to secondary school or into a new class. Sylvie loves her sweetshop in Sunnyville Town, she loves her quirky customers, who arrive every day at the same time and always order the same sweets. Sylvie wants everything to stay the same, but the arrival of a mysterious stranger means her story is about to change. In this gently interactive, musical play, the audience joins in with the narrative to help Sylvie be brave and make new friends in her changing world. This is a funny, hopeful and charming show; the perfect treat for the end of the summer term. The infants will watch the production in the morning and the juniors will watch it in the afternoon.
