**Building God's Kingdom- As a Christian organisation, we believe the world can and must be changed to reflect God's Kingdom here on earth. Many people in our world today are hungry, thirsty, or without shelter. We stand alongside our neighbours – people of all faiths and none – to share our hope for a fairer world. Each May, we invite you to join with us during Christian Aid Week to give, act, and pray – and help end poverty.**

The truth is: the natural world is changing. And we are totally dependent on that world. It provides our food, water and air. It is the most precious thing we have and we need to defend it.

# Reflection

- How can you be a courageous advocate and stand up for what is right?
- How can you help to make a difference to our world this week?

**COURAGEOUS  
ADVOCACY:**

## **A prayer for the building of God's Kingdom**

Give us, Lord God, a vision of your Kingdom as your love desires it:

A world where the weak are protected, and none go hungry,

A world where life is shared, and enjoyed by all,

A world where all races, nations and cultures live in tolerance and respect,

A world where peace is built with justice, and justice is guided by love.

Give us the inspiration and courage to build your Kingdom here and now and to make a difference.

**Amen**

I may only be one  
person, but I can be  
one person that makes  
a difference.

**We can change  
the world**  
and make it a better  
place. It is in your hands  
to make a difference.

-Nelson Mandela
