A typical day in Year 1 (for the first term).

8.45- Morning task- handwriting.

9.00- Register and dinners.

9.15- Worship

9:35- Phonics

10:00- English (There will be a whole class teach and then myself and Mr Gudgeon will take a group of approx 8 children each to complete their English task whilst the other children are in the areas completing challenges).

11-11:15- Break time

11.15- Maths (There will be a whole class teach and then myself and Mr Gudgeon will take a group of approx 8 children each to complete their English task whilst the other children are in the areas completing challenges).

12.15- Dinner Time

1.15- Register and mastery maths,

1.30- Session 1 (e.g. Art, Science, Geography, History, PE etc..)

2.20- Session 2 (e.g. Art, Science, Geography, History, PE etc..)

3.10/3.15- Story and prayer.

3.20-3.25- End of school day.

Depending on the subject/s in the afternoon, half of the class may be completing challenges in the areas whilst the other half of the class are in groups completing subject specific work and then the children will swap over.

Golden Time

For the last session on a Friday, we have golden time in class. This is a time when children are allowed to use all of the areas freely. For instance, they are allowed to build something of their choice with the lego, magnets and straws or make and colour something of their choice in the creative area.

In order to get their golden time, children need to have completed 5 challenges that week. The children complete these challenges when they are not in teacher-led groups. The challenges will either consolidate learning e.g. from a phonics, maths, art or RE lesson the week or even day before or link to our topic. If they have not completed 5 challenges (and they have been in school everyday) they will need to complete them in their golden time. For example, if they have completed 3 challenges, they will need to complete the other 2 in their golden time before they get to use their golden time to go and choose freely.

Phonics

All children in Year 1 were taught the Phase 2 and Phase 3 phonics sounds in Reception (please see them below). We start Year 1 by recapping the Phase 3 sounds particularly for writing purposes.

Phonics

In Year 1, we will start the year recapping the phase 3 sounds again. We will then move on to phase 4. Phase 4 does not have any new sounds but instead focuses on learning to read words with consonant blends. After that, we will work through Phase 5. Phase 5 is a long phase as there are lots of alternative sounds to learn (see below).

Children will have the opportunity to change reading books twice a week on Wednesdays and Fridays when we will also check if they have read. Reading books will only be changed if it has been recorded that they have read in their reading record. Library books will be changed on a Wednesday

Mr Gudgeon will also choose a child each week to take home a reading bear, only if they have read 3x.

Homework

Please encourage your child to read little and often, ideally each day but at least three times a week. Please also ensure that this is recorded in the children's reading record.

You can access Phonics Play, Numbots and Purple Mash using their logins that are in their reading journals.
