Reading

- Please encourage your child to read little and often, ideally each day but at least three times a week. Please also ensure that this is recorded in the children's reading record. The children's reading diaries will be checked 2 to 3 times a week. When the children are ready to change their book they are encouraged to write their name on our book change poster in the classroom.

Spellings

- The children will be taught the spelling focus throughout the week and given their spellings on a Friday. These must be practised for the following Friday when they will be tested on these. It is important to keep up with the weekly spellings as we will be expecting to see them spelt correctly in their written work. The children will practise their spellings in a handwriting book this year to develop the presentation of their work.

LBQ

- The children will really benefit from carrying out these activities as it will be used to consolidate an arithmetic or grammar focus that we have covered that week.

Homework will be set on a Friday and need to be completed for the following Friday. If for any reason the children can't complete their homework, we will give them the opportunity to complete it in school during golden time so that they don't fall behind.

**Number
Sense
Maths**

In KS2, we have a shared approach to the teaching of times tables and we run a daily intervention that involves chanting times table facts. Fluency helps children to enjoy more success in maths as it can help to free up a child's working memory and tackle more challenging concepts.

[illegible]

These are the 36 essential facts.

10, 11 and 12 times tables are taught in a lighter touch way due to patterns in the numbers and being able to use known facts to arrive at an answer.

Any support at home with times tables would be extremely beneficial to the children's progress in maths.

Our PE days this half term are **Monday and Friday**

Children need to come to school in their PE kit on PE days. Plain black tracksuit bottoms, leggings or shorts and trainers may be worn with royal blue t-shirts and school sweatshirts or $\frac{3}{4}$ zip up top . **PLEASE LABEL EVERYTHING!**

Hair past shoulder length must be tied back and no jewellery to be worn.

Each week, we will be sharing photos in our news section in our school website, showing what the children have been learning that week. You can also visit our Year 6 class page on the website, to view curriculum overviews for each half term and class updates.
