"Follow Jesus in all we do"

John 17:6-19 **Jesus Prays for His Disciples** "I have revealed you⁶ to those whom you gave me out of the world. They were yours; you gave them to me and they have obeyed your word. ⁷ Now they know that everything you have given me comes from you. ⁸ For I gave them the words you gave me and they accepted them. They knew with certainty that I came from you, and they believed that you sent me. ⁹ I pray for them. I am not praying for the world, but for those you have given me, for they are yours. ¹⁰ All I have is yours, and all you have is mine. And glory has come to me through them. ¹¹ I will remain in the world no longer, but they are still in the world, and I am coming to you. Holy Father, protect them by the power of your name, the name you gave me, so that they may be one as we are one. ¹² While I was with them, I protected them and kept them safe by that name you gave me. None has been lost except the one doomed to destruction so that Scripture would be fulfilled. ¹³ "I am coming to you now, but I say these things while I am still in the world, so that they may have the full measure of my joy within them. ¹⁴ I have given them your word and the world has hated them, for they are not of the world any more than I am of the world. ¹⁵ My prayer is not that you take them out of the world but that you protect them from the evil one. ¹⁶ They are not of the world, even as I am not of it. ¹⁷ Sanctify them by the truth; your word is truth. ¹⁸ As you sent me into the world, I have sent them into the world. ¹⁹ For them I sanctify myself, that they too may be truly sanctified.

EYFS

We started this week with an exciting discovery, our final few caterpillars had become beautiful butterflies meaning we had 10 altogether. We were excited to hold them and then release them into the big wide world (check out tapestry for pictures). This week we started to learn about different kinds of beasts, this time our focus is jungle and rainforest animals. We have enjoyed exploring in our very own jungle hide-out, using the binoculars and magnifying glasses to hunt out a range of beautiful beasts. We have also enjoyed adding legs to animals on the funky finger table and matching animals to their skin/coat pattern on the investigation table. During afternoon tasks we have been getting excited about our trip to Blackpool Zoo on Monday, we have explored the Zoo map and thought about which animals we would most like to see. It is school uniform for the trip. Please do not forget to apply sun cream on Monday morning and send a sun hat but please do not send sunglasses. Text reminders have been sent out for packed lunches - Thank you.

This week in Science, we have been continuing their learning on 'Animals and Humans'. They have been learning about the different gestation periods of animals and humans and how to present data on a line graph. They then created an information leaflet.

In Maths we have been learning about co-ordinates 'along the corridor and up the stairs' and they have enjoyed translating shapes from one position to another, following success criteria. Today they planned their own independent writing based on a fiction text 'Computer Dad'.

RECEPTION CLASS

Well done Reception, you made it to Paris!

YEAR 1

We have continued learning about baptism and how other world faiths welcome new babies into the world. We were all extremely interested to learn that Muslims and Hindus welcome their new babies in very different ways to Christians. We learned the reasons why a prayer is the first thing said to their newborn babies, why some children have their hair shaved off and why honey is important. We have been discovering why names are very important and the meaning of a name is important to some of the world faiths. We used the iPads to research the meaning of our own names. Ask your child to tell you what their name means!
