

St Bartholomew's C of E Primary School

Governor Linking Record

Focus Area: Maths

	Date of visit: 25.9.19
Agenda / Matters Discussed:	<ol style="list-style-type: none">1. Actions and priorities discussed for the year.2. More practical resources to be used in maths to give children visual representatives to further support their learning and progress in mathematics.3. Year 1 setting arrangements adapted to be whole class teaching. Resources and areas of provision have also been improved.4. KS1 have started using white rose maths resources to further develop a secure understanding of number, as well as deep reasoning and problem solving activities to embed learning further.5. X table test in year 4 was discussed, including the trial test completed last year, and how school is working to further improve times table recall.
Governors asked:	What things are school doing to improve times table recall? How did we score on the trial test last year? Is the test more of a computer test of understanding, rather than a maths?
Next meeting:	Times table progress and predictions/assessments. How KS1 and year 1 have continued to improve to maximise attainment and progress.

Name Billy Waters (member of staff)

Name Father Michael (Governor)
