

**St Bartholomew's C of E Primary School**

**Governor Linking Record**

**Focus Area: Curriculum**

	<b>Date of visit: 4/11/20</b>
<b>Agenda / Matters Discussed</b>	Curriculum updates: <ul style="list-style-type: none"><li>• Remote learning – via teams – had training this week. Should match the lessons done in school.</li><li>• Staff trying to use formative assessment a lot to see what the children have understood and where gaps are and teach accordingly.</li><li>• Discussion around assessment and how</li><li>• Setting for English and maths has been removed – means staff seem to know children's needs better. It also supports differentiation.</li><li>• Trips to enrich the curriculum are generally on hold currently but we are looking to use the local area more – we now have an extra minibus to use for more local visits.</li><li>• Trying to enrich where possible – History boxes loaned.</li><li>• Long term plans are all online for each subject – coherent skills and knowledge taught across school.</li><li>• Curriculum policy underway and will be shared next term.</li></ul>
<b>Governors asked:</b>	<b>Fr Michael asked a few questions about the remote learning and how that would work practically. How has the change from setting impacted upon the children and staff?</b>
<b>Next meeting:</b>	<b>Review curriculum and how it is going. Future actions to develop curriculum further.</b>
