Agenda RE Assessment – RE Assessment documents are almost finished and in SS to be rolled out to staff in next curriculum meeting. Christmas Collective Worship – Discussed the plans in place to celebrate Christmas given the current COVID restrictions. Each year group has chosen a different Christmas song to showcase which they will be performing in class and will be recording, so that it can be played during the service. The date for the CW has since been agreed as Wednesday 16 th December 2020. General queries over how well the role transition has gone, given Collette's vast knowledge of the subject and how best to deliver it to staff in school.	
Challenge To commence having child-led CW post-Christmas, on the alternate weeks when Fr Michael is not leading the worship, and have different KS2 classes lead the CW on that week instead.
