<p>Agenda Introduction to new PSHE team. Discussed points on Action Plan:</p> <ul style="list-style-type: none"> - To raise standards in PSHE – discussed the work Collette and Kath have done to ensure the PSHE curriculum is up to date with the new RSE curriculum. Shared this year’s Calendar of Events and Experiences and discussed those we had already implemented (e.g Mental Health Week, Anti-Bullying Week). - To ensure high quality and teaching is embedded across the curriculum – discussed our plans to audit physical and online resources and create a list to be shared with staff. - To implement a method of assessment – discussed the possible methods of assessment (O’Track/pupil pre and post reflection sheets). - To further develop safety within the curriculum – discussed the safety events within this year’s calendar. - To raise the profile of pupil wellbeing – discussed what we did for Mental Health Week across year groups. <p>Discussed our plans to raise the profile of PSHE within school next year through increasing the time spent on lessons each week and staff CPD. Discussed monitoring we have carried out this year and our key findings from this.</p>		
<p>Challenge What are your priorities for PSHE? How will you ensure that everybody knows what resources are available to them? Where will you keep the physical resources so staff can access them?</p>
